PATRONAGES SPONSORS DONATIONS

TOGETHER WE ARE STRONGER

*"When you spend your time with animals,
you are always in good company."*

Aurach Wildlife Park was founded in 1972 by Alois and Elisabeth Pletzer in cooperation with Heinrich III DDr Prince Reuss and has been privately owned by the Pletzer family ever since.

WILDPARK AURACH'S TOTAL MAINTENANCE COSTS ARE PAID EXCLUSIVELY FROM ADMISSION FEES AND VOLUNTARY DONATIONS.

Our wildlife park is a popular excursion destination for people of all ages, a place for recreation and relaxation, but also a place for further education. The welfare of our animal residents, species-appropriate habitats and facilities that meet current requirements are of paramount importance to us.

Your financial contribution is used 100% for the benefit of our animals and provides a great deal of support. Because food costs, veterinary costs, care costs, investments in modernisation, conversion and new construction of the facilities, to name just a few factors, are correspondingly high when it comes to caring for 300 animals.

*Our animals would like
to say "Thank you so
much for your support".*

Sponsoring

*If you support us as a sponsor,
you help us to realise new projects.*

With each modernisation, the conditions in which our animals are kept are improved, which consequently enhances their quality of life. Detailed information on planned renovations can be found on our website.

WOULD YOU LIKE TO SUPPORT A CURRENT PROJECT?

Security of knowing that the money spent will be used wisely and 100% for the welfare of the animals. You will be involved in a family-run business with long-standing tradition, which enjoys an exceptionally good reputation throughout the region.

YOUR INDIVIDUAL SPONSORING PACKAGE:

We would be happy to work with you to create a customised sponsorship package that best suits your personal preferences. These start from € 2,000 per year (excluding 20 % VAT).

AS A SPONSOR YOU RECEIVE

- Free annual tickets and one-day admissions
- Sponsorship board with logo and name on our large sponsor wall at the entrance
- Certificate with logo and name
- Mention by name with logo on our website

Animal Sponsorships

*By sponsoring a particular animal species,
you contribute towards feeding and care costs.*

HOW DO I BECOME AN ANIMAL SPONSOR?

Hand in the completed form at the Wildpark cash desk or send it to us by e-mail or post. Sponsorship is for one year and begins as soon as you pay the total annual amount. The sponsorship can also be extended if you wish. You can become a sponsor as a private person, family, company or association.

As a sponsor you have no obligations, but also no entitlements. Sponsorship is concluded for an animal species, but not for an individual animal. Each species can have several sponsors.

Animal Sponsorship as a gift

Why not give the wonderful gift of animal sponsorship on special occasions such as a birthday, Christmas or an anniversary and surprise your family, friends or colleagues?

AS AN ANIMAL SPONSOR YOU WILL RECEIVE:

- Sponsorship certificate
- Personal mention on our website
- Mention by name on the respective animal board
- Free admission tickets, depending on the level of sponsorship

SPONSORSHIP SIGN WITH LOGO

We are happy to print your logo on the sponsorship board for an additional fee.
